Re: Public Body Design-Build Certification Determination

Dear Ms. Alzeer:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the **City of Seattle** has met the criteria established in RCW 39.10 for public body Design-Build certification. As of *September 26, 2019* the **City of Seattle** is authorized to utilize Design-Build contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The **City of Seattle's** certification will extend through *September 26, 2022*. Please submit your application for re-certification to the Project Review Committee at least three months prior to the initial expiration date.

Under the terms of the law you will be required to submit project data to CPARB during any Design-Build project undertaken with this certification. Please identify your point of contact for supplying required project data information to CPARB staff person, Nancy Deakins, at Nancy.Deakins@des.wa.gov.

Please contact Talia Baker at (360) 407-8260 if you have any questions regarding this process.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Dugan".
