Good morning,

The email below is a letter of support from private consultant firm OAC, for granting Agency Re-Certification of GC/CM to the Clover Park School District.

Please publish to PRC webpage with other letters of support and advise of any concerns.

Thank you
Jesse

Subject: Clover Park School District Letter of Support for Re-Certification

*****Clover Park School District cannot be held responsible for the content of this email, as it has originated from an outside source.*****

Talia,

Please accept this mail as my letter of support for the Clover School District recertification application for GC/CM delivery.

The Clover Park School District has clearly demonstrated its team's skill and understanding with the use of GC/CM delivery and solid track record of successful delivery.

Rick Ring, Bill Coon and Latanya Figueroa all have multiple successful GC/CM projects in their respective resumes and a long tenure of service with the District.

As many of the PRC members are aware, OAC Services is one of Washington's largest and most experienced project and construction management consulting firms with extensive experience in GC/CM, Design-Build and Job Order Contracting. In addition, OAC is proud to have served a role at the Clover Park School District's first six GC/CM projects. Clover Park School District is well suited to manage GC/CM delivery for the next three years.

Thank you
Dan

Please confirm receipt.
