**Re: Public Body Design-Build Project Approval**

Dear Mr. Sammet:

The Project Review Committee has determined that your project has met the criteria established in RCW 39.10.280 for public body project approval.

Washington State Department of Transportation is hereby authorized to utilize the Progressive Design-Build alternative contracting procedure for the I-5/US-12/SR 507 Thurston & Grays Harbor Co- Remove Fish Barriers project.

Congratulations on the approval of your application and good luck with your project!

Sincerely,
