# Capital Projects Advisory Review Board

## Virtual Meeting Via Teams

### CPARB Member Shared Commitments:

We will embody the commitment of **Respect** by:

Listening first before speaking; Speaking respectfully with candor while being mindful of impacts and remaining open and honest; Respectfully embracing others' thoughts and opinions; Sharing your own thoughts and opinions without taking things personally; Being honest with one another; Being respectful to one another while acknowledging it's okay to disagree.

We will embody the commitment of **Purpose** by:

Staying focused on the purpose of CPARB by using agendas and engaging in board matters with a professional approach recognizing each member's personal life experiences; Ensuring meaningful, results oriented meetings; Showing up as open as possible ready to listen and learn; Coming prepared and with due diligence on meetings; Ensuring alternative delivery processes are efficient.

We will embody the commitment of **Listening to Understand** by:

Using active listening, without dominating and without judgment; Seeking to wholly understand others point of view; Listening and being considerate without negativity; Committing to exploring and understanding different viewpoints; Appreciating candor; Providing leverage for voices not being heard; Making time for conversations even if they are outside of the meeting.

We will embody the commitment of **Accountability** by:

Actively participating with clear expectations and clear responsibilities (within our statutory authority) while being unafraid to address problems; Coming to meetings, participating, following through on the work and commitments you make; Creating problem statements prior to discussions that summarize issues; Making solutions better with positive intent; Correcting factual inaccuracies with respect; Speaking with empathy and a focus on shared understanding instead of shame.

We will embody the commitment of **Inclusion** by:

Ensuring appropriate team members are included balancing the interests of different groups by seeking multiple perspectives to ensure inclusive participation; Ensuring active, early engagement for all participants; Balancing the interests of different groups; Being open to all feedback, everyone should be heard and held accountable; Acknowledging imbalances in relationships; Being comfortable with being uncomfortable.
