Re: Public Body GC/CM Project Approval

Dear Assistant Superintendent Steedman:

The Project Review Committee has determined that your project has met the criteria established in RCW 39.10.280 for public body project approval.

Bremerton School District is hereby authorized to utilize the GC/CM alternative contracting procedure for the District-Wide HVAC Upgrades Project.

If you determine that you wish to use the Alternative Subcontractor Selection Process on this project, please use the [GC/CM Project Application Supplement B](#) to apply for PRC approval.

Congratulations on obtaining project approval and we look forward to successful completion of your project.

Sincerely,

Jessica N Murphy
