3. Talia Baker will finalize the letter for the interim report, obtain needed signatures, and send the letter with the report to the Legislature.
4. Talia Baker will post the WSDOT project cost data on the TF web page.
5. TF members will re-review the WSDOT presentation on the four remaining North Spokane Corridor projects.

- Consider a discussion with a member of the [Joint Transportation Committee](#) to help the TF determine what level of understanding regarding Cost Certainty the Legislature possesses to better gauge the level of cost certainty description needed to be included in one of the reports.
