PO Box 641150  
Pullman, Washington 99164-1150

**Re: Public Body Design-Build & GC/CM Recertification Determination**

Dear Assistant Vice President Kline:

The Project Review Committee has determined that Washington State University has met the criteria established in RCW 39.10 for public body Design-Build (DB) certification combined with GC/CM certification. As of February 27, 2025, the Washington State University is authorized to utilize DB and GC/CM contracting procedures for projects with a total project cost of two million dollars or more for a period of three years.

The Washington State University's certification will extend through March 28, 2028. Please submit your application for recertification to the Project Review Committee three months prior to the above noted expiration date.

Congratulations on the approval of your application.

Sincerely,

  
Jessica Murphy (Mar 5, 2025 10:26 PST)

Jessica Murphy, Chair  
Project Review Committee
